The Wisconsin Alliance for Excellent Schools names Impact Association Management as AMC

[Madison, WI]: Impact Association Management announced a new partnership with the Wisconsin Alliance for Excellent Schools (WAES). This partnership will allow WAES to more closely focus their mission of ensuring high quality schools for all children in every Wisconsin community.

“As our non-profit grew, we outstripped our ability to do the “back office” work ourselves,” says WAES board chair Dr. Julie Underwood. “Impact seems like the perfect solution.”

“At Impact, we work with several non-profits whose focus is on education. This has prepared us for our work with WAES. We get them and their mission and already see so many ways in which we can help! This is going to be a fantastic partnership,” says Jodi Fisher, CEO at Impact Association Management.

“As our Network continues to grow, we are excited to bring on new organizing staff and connect with more partners around the state. We look forward to working with Impact to maximize our capacity and help us manage our growth efficiently and effectively,” says Heather DuBois Bourenane, Executive Director, Wisconsin Public Education Network
